

Little VID KITS

SYSTEM

LED kit utilizing 3 compact, powerful 50 watt Little VID Series Fresnel fixtures with 96+ CRI. Small multi-purpose fixtures are provided complete with stands, barn doors and gel frames or gel holders. Each fixture has a 12' cord to remote power supply that allows easy programming for dimming or DMX control. Fixtures are 120-230 volt and battery pack models are available. Rolling canvas Trolley case has reinforced corners and separate compartments to protect the contents during travel. Case is 42"L x 15"W x 14"Ht. cCSAus and CE Listed

Triple Fixture Kits

Little VID-Focusable Kits:

KLV3050-32K-F-RC-BP (3200K)

Kit Includes:
